

Future Light Source

Future Light Source

1. Future Plan of the Photon Factory.....	135
1-1 Future Roles of the Photon Factory	
1-2 The Choice of Energy Recovery Linac as the Next-Generation Light Source at the Photon Factory	
2. Expected Scientific Cases	138
2-1 Introduction	
2-2 Scientific Subjects Opened by Short Pulses	
2-3 Scientific Subjects Opened by Coherent X-Rays	
2-4 Scientific Subjects Opened by Nano-Beams	
3. To Realize the PF-ERL	140
3-1 Preliminary Design Study on PF-ERL	
3-2 The Prototype ERL	
3-3 The Time Schedule for the PF-ERL Project
